Looks to be consistent with the results of my meeting with them. I didn't see the Town well data log they sent you, but I assume it shows no effect.

Mike:

I got a letter a few days ago, but have not had a chance to look it over. It is attached. Please advise.

I finally got a message back from Epsilon yesterday. Tory Fletcher said they sent a letter to you well over a week ago. FYI, I never saw the letter and would like to just to make sure it reflects the results of the meeting I had with Andy and Jesse.
